SUMMARY

Motivated and detail-oriented Electronics and Communication Engineering (ECE) student with a strong foundation in programming and web development. Passionate about solving real-world problems through technology. Developed a healthcare app during a hackathon, showcasing innovation and teamwork. Certified in Python and Data Structures & Algorithms (DSA). Seeking opportunities to enhance my skills in software development and embedded systems

PROFESSIONAL EXPERIENCE

E-commerce Shoe Website:

Built with HTML, CSS, JavaScript

Created a responsive shoe store with animated UI, dynamic product listings, search, and simulated add-to-cart functionality.

Theater_safety_inspection using python

university club management using python and DSA algorithims

EDUCATION

Bachelor of Engineering (B.E.) – Electronics and Communication Engineering,

2026

Ballari Institute of Technology and Management

TECHNICAL SKILLS

Programming Languages

- Python
- Java
- c#

Web Development

- HTML
- CSS
- JavaScript

Data Structures & Algorithms (DSA)

Soft Skills

- Problem-solving
- Teamwork
- Leadership

ADDITIONAL INFORMATION

Hackathon Participant

Developed a healthcare app and collaborated in a team environment.

Ideathon Participant

Successfully presented an innovative project idea and received sanctioned funding for development.

Certifications:

Python Programming

– EZ Technologies

Data Structures & Algorithms

(DSA)

– EZ Technologies
